Each "flavor" provides your guests with an opportunity to select from among that flavor's 3 projects as well as the 3 projects included with each of the prior flavors. For example, if you choose Vanilla – your guests are limited to its 3 project selections – but if you choose Strawberry your guests can select from among all the projects available in Vanilla,

Toppings

Enhance your celebration by adding a selection of "toppings" for your guests to use in decorating their project. Our mixed medium toppings are carefully selected in order to allow you and your guests to enhance and embellish your projects – *just the way you like!* As a result we offer many colorful, novel and fun toppings including glitter, pompoms, sequins, buttons, ribbons, charms, beads, wood and tin accents, stickers, flowers and much more. We also strive to help manage your budget – without stifling your creativity. As a result our toppings are reasonably priced – starting at just 50 cents for ala carte toppings and \$3.50 for our unique, pre-packaged coordinated design kits.
